Vote Thompson for sheriff

CHRIS GIBSON

DUNKERTON --- I have just had the pleasure of meeting the Democratic candidate for Black Hawk County sheriff, Deputy Tony Thompson. I think he is fantastic. I found him to be open, honest, and willing to spend the time and answer every question thrown at him in an insightful and thoughtful way. He was extremely respectful to his opponent and still found a way to disagree with positions and illustrate his own points of view without any dirty campaigning.

I think he is a breath of fresh air and exactly the kind of leader our sheriff's office needs for the future. I for one am impressed, encouraged and motivated to write about him and cast my vote for this young man.

Tony Thompson has my vote for the next sheriff of Black Hawk County.
