Thompson for sheriff

GLADYS PETERS

WASHBURN --- I have been watching, with interest, the local races heating up and the race for Black Hawk County Sheriff is particularly interesting to me. I think we need another Democrat to follow in Mike Kubik's footsteps, or better yet make his own path. I know Tony Thompson is the only Democrat candidate running and I wondered why that might be.

I've seen other letters to the editor recommending that I check out his Web site, so I went to check it out. Thompson's resume is second to none. He has done more things in his life than most people experience in a lifetime. With his military background, his combat leadership and his education, he seems to be a perfect fit. Pair that with his community service, all the organizations and groups that he is involved with (on a leadership level), I have to admit, I can see why no other Democrat thought it necessary to run against him for the nomination.

Tony Thompson is exactly what I want in a Democratic candidate, and will certainly do a wonderful job as the next sheriff of Black Hawk County. He has a quote at the top of his Web site that indicates "Good things come to he who hustles while he waits." Tony Thompson has certainly met that adage.

Please do as I have done and check out his Web site www.thompsonforsheriff.net Then please join me and vote for Tony Thompson as the next sheriff of Black Hawk County.
