Thompson for sheriff

NEIL JONES

WATERLOO --- I would like to submit this letter in support of Tony Thompson for sheriff of Black Hawk County.

I have followed Tony's career for several years, and most recently, have worked closely with him while teaching for StreetSmarts Driver's Education. He has generously contributed to the learning experiences of the young people of Black Hawk County. He easily connects with both students and adults. His down-to-earth attitude and approachability make him the best choice for sheriff of Black Hawk County.

Tony's record of service to our country and county is outstanding. He has the leadership qualities along with a tremendous plan to serve and protect the citizens of Black Hawk County.

I give Tony my highest recommendation and encourage everyone to vote for him in the upcoming election for sheriff of Black Hawk County. Check out his web site at Thompsonforsheriff.net.
