Thompson for sheriff

WAYNE L. PETERSON

ELK RUN HEIGHTS --- I would like to tell you why I'm voting for Tony Thompson for sheriff of Black Hawk County. I was at an event where I got to meet and listen to Tony Thompson. This man has all of the right ideas. At our event there were quite a few young people there. These kids joined in on the visiting and asked questions of Tony. They were really enjoying the conversations and kept asking questions. I couldn't believe how Tony was so patient and so willing to try and answer every question asked. The kids loved him. I feel it is so important to have this kind of leadership. Please check this guy out. I'm sure you will see what I have and know that he is the right man for our Black Hawk County Sheriff's Office. Mike Kubik is retiring and we need to have someone fill his shoes. Tony Thompson is the man for this job. Vote Tony Thompson as the next sheriff for Black Hawk County.
