Tony Thompson for sheriff

KEVIN IRWIN

WATERLOO --- Tony Thompson is my choice for Black Hawk County sheriff. Let's focus on the future leadership of the Black Hawk County Sheriff's Office. Tony Thompson teaches soldiers (future second lieutenants in the Army) to lead soldiers into combat. He knows leadership and is a student, as well as teacher of leadership. Tony was the president of the Black Hawk County Law Enforcement Association for eight years, the current SWAT team's team leader, and was our sheriff's office's representative on the Iowa State Sheriff's and Deputies State Jails Committee. He is presently on the executive boards of the Aspire Therapeutic Riding Program, the Winnebago Council of the Boy Scouts of America, Black Hawk Economic Development, and is a member of so many other groups, organizations and service agencies that space precludes me listing them all in this letter.

Tony Thompson possesses the community service focus that I am looking for in the future leader of the Black Hawk County Sheriff's Office. His record of service is beyond question, having served 19 years and deployed six times in the U.S. Army as a military police officer in the National Guard. Join me and Vote Tony Thompson for Black Hawk County sheriff.
