Make an active leader sheriff

KATHY ADELMUND

WATERLOO --- My recommendation for Black Hawk County's next sheriff would be Democrat Black Hawk County Deputy Tony Thompson!

Tony is not only an outstanding Black Hawk County deputy, he realizes the damage and public risk caused by illegal drugs in our county. He goes beyond the traditional duties as deputy sheriff.

Tony is a real diplomat for the citizens of Black Hawk County, he is involved with all aspects in the community, the DARE program, fundraisers for special needs, Iowa Army National Guard, and he is actively involved with his family.

I first met Deputy Thompson at Dunkerton Community School years ago. Tony was my daughter's DARE officer at school. He since does not hesitate if he sees my daughter to stop and ask her how she's doing, what is going on in her life, and gladly gives her short lectures!

He is not one to just sit behind the desk, he is actively involved with all the diversity in the community as a whole. I believe Tony never rests! He can communicate with everyone of any age, race, sex, or level as a person in the community!

Clearly, with his education, communication skills and experience he would make an outstanding sheriff for Black Hawk County!

I recommend going to Thompson for Sheriff web site! His biography, experience, education, community involvement and press releases are easily available to access on his web site www.thompsonforsheriff.net. Email tony@thompsonforsheriff.net. You can reach Tony @ campaign phone number (319) 240-9980.
