Tony Thompson for sheriff

Richard Hockey

WATERLOO --- Tony Thompson has my vote. I want to have you think about the Black Hawk County sheriff's race. Tony Thompson is a very good Democrat and I'm supporting him 100 percent. This guy is truly a sincere person and gives the sheriff's office all his hard work and knowledge. I truly like his support of dealing with the drug problems that we have here in Black Hawk County. He is at the schools teaching the kids the "DON'T --- Drugs Offer No Tomorrow." I have heard him speak at several events that I have been at. I'm totally impressed with him and know him to be sincere. Tony Thompson has been employed with the sheriff's office for 15 years. He has the right qualifications to be the next Black Hawk County sheriff. Tony belongs to the Teamster's Local 238. Tony has written over \$15 million in equipment and monetary grants for the sheriff's office. This has saved the county taxpayers a lot of money. Please join me at the polls and vote Democrat Tony Thompson in as the next Black Hawk County sheriff. His age and knowledge is just right and he will continue the good job our retiring Black Hawk County sheriff has done.
