## **Thompson for sheriff**

SHIRLEY PAIGE

WATERLOO --- I'm endorsing Tony Thompson for sheriff of Black Hawk County. I've heard nothing but positive reports about Tony Thompson.

I believe that he would make the best suitable replacement for the present retiring Sheriff Kubik.

Several years ago my husband was managing a place in Waterloo on East Fourth Street. Some Irish musicians were appearing for one night only. It was standing room only. I invited myself to join a young couple who had an empty chair at their table. They graciously let me join them. I had no idea who I was sitting with, but learned later that it was Tony Thompson and a friend.

I've seen Tony Thompson since at the courthouse and he still remembers me.

He cares about people and he remembers them. I think he'd make a fine sheriff.
