Support Thompson

RAY DU CHARME

CEDAR FALLS --- I want to write a letter to support a good man, doing a good job, and working hard for the citizens of Black Hawk County. I feel like we've watched him grow from a young deputy into a strong and vibrant leader of our Black Hawk County Sheriff's Office. Of course I'm talking about Tony Thompson. He has always represented the office with dignity and with an educated flare. He was very conversational and personable to talk with, and his willingness to spend the extra time to do tasks above and beyond an average deputy is what makes him as appealing as a sheriff. His knowledge of the sheriff's office and his involvement with the community is something that I don't see in any of the other candidates wishing to become sheriff. I would be honored to have Tony Thompson, replacing Mike Kubik as the next sheriff of Black Hawk County.
