Tony Thompson for sheriff

LORNA NEIL

WATERLOO --- I recognize that drugs are at the root of many of the crimes committed in Black Hawk County. I also recognize that if we could we would work harder at detecting and deterring this genre of crime, then all crime in Black Hawk County would be reduced. Tony Thompson recognizes these simple truths as well. Tony works hard against illegal drugs in our county. He spends time every day to fight illegal drug trafficking. He is unafraid of kicking in a door in a search warrant, or running a dealer down in a foot pursuit. He recognizes that with each drug dealer that goes to jail, that is one less bad guy on the streets of Black Hawk County.

We as voters need to send the message that enough is enough when it comes to our tolerance of these criminals running amuck in our cities. I am voting for Tony Thompson for sheriff because he puts his money and his actions where his mouth is. He fights crime and drug dealers daily and I want that kind of a fighter running the Black Hawk County Sheriff's Office. Please vote Tony Thompson to be our next Black Hawk County sheriff.
