Tony Thompson for sheriff

CAROLINE LOVELESS

WATERLOO --- I wanted to write tills letter to commend Tony Thompson on the positive and uplifting campaign that he has run. Even with adversity, he has managed a clean, honest and driven campaign. He has focused on his goals for the office, on his strength and on his plans for the future.

I respect the effort to keep his campaign clean and honest. I want him to know how much we voters appreciate it and won't forget it at the polls.

I believe his campaign is certainly reflective of the way he performs his duties and his ability to reach out and address issues with programs and efforts to improve our county. I am thankful that he is willing to step up and commit to a higher calling as the next sheriff of Black Hawk County.

Please join me and let every citizen speak out about the importance of clean campaigning and honesty.

Vote Tony Thompson for sheriff of Black Hawk County.
